properties are situated along the lines of the best transit systems, and will receive more benefit than any other section from the completion of the bridges and tunnels now being constructed, as the Subway to Coney Island, recommended by the Rapid Transit Commission, directly serves all of our Brooklyn properties, Comptroller Metz, at the Subway League Dinner at Coney Island on March 26, positively promised that the next Subway built in Greater New York will be the one to Coney Island, and several of our properties are situated along this route. No question of excessive commutation enters into your purchase of these properties. They are within the five-cent trolley fare zone.

have watched this movement in real estate from its beginning and know the trend of this advancement. We secured tracts of ground when prices were low and before the improvements were commenced, and now own thousands of

and offer them in plots of from one to a thousand lots at LOW PRICES and on terms to suit purchasers. These lots are bargains—every one of them.

have been dealing in lots in these boroughs for many years, and have sold and are selling lots to all classes of investors, in amounts ranging from a few hundred dollars to hundreds of thousands of dollars. Send for maps and see the excellent locations of our properties.

If You Have Money to Invest, no matter how small the amount, we feel sure that the realty situation in Brooklyn and Queens Boroughs will interest you. We can give you many valuable facts on this subject—facts that will show you a good money profit. We mean business. We can make money for you as we have made money for thousands of others. Remember that real estate is tangible, real, and not like stocks and other forms of security, and do not forget that ground in the sections not yet built up is increasing in value daily.

It cannot do otherwise---It never will be cheaper.

MAPS and any information desired will be furnished on request.
